The contractor has said that they can replace the plants before the event for our area – between 2nd and 4th.

Well miracles never cease. Probably it's too late to do anything about the burned out planters, but will you kindly advise? I know it seems they will just be destroyed but that's not what happened last year. It would be so nice for them to look nice for Night on Broadway.

Please let me know?

Thanks,
Jessica

Hi everyone,

Please see the attached, fully executed agreements, effective January 11, 2016. Only work and costs

incurred on or after January 11, 2016 may be eligible for reimbursement. Please note that our Accounting Section will start to process the advance payments request to the Controller's Office.

I would really appreciate it each BID would take care of the required action items in the agreement (emergency plan, etc.) asap, and let Julie and I know when we can expect them. Thank you so much for your immense patience throughout this process.

Happy Friday!

Pauline
